Dear Ms Major,

This letter is in regards to the November 7, 2013 compliance check of your Category A, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)m Has not less than one 2A 10BC rated fire extinguisher in a visible and readily accessible place on each child-occupied floor.

**Your fire extinguisher is the appropriate size, however, it is registering empty. Please make sure you get your extinguisher refilled.**

☐ 110.5(1)n Has a minimum of one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway.

**Please install an additional smoke detector in the downstairs nap room where the children sleep. If the door were closed the detector in the next room is not sufficient.**

☐ 110.5(1)o Nonsmoking signs posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone # for reporting complaints, and [www.iowasmokefreeair.gov](http://www.iowasmokefreeair.gov).

**Repost.**

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before December 16, 2013.**

☐ Based on the items out of compliance listed above, you will be required to have a re-check or follow-up visit to your home. This visit will occur on or after \_\_\_\_\_.

x ☐ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

**I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.**

**Please sign and date below, and return this form in the provided envelope by: December 16, 2013**
